

**October 23<sup>rd</sup>, 2021**  
**Delta Marriott Hotel Everett, WA**

In the face of COVID-19, the American Cancer Society is continuing our lifesaving mission throughout the nation. As the virus spreads without discrimination across the country, cancer patients are placed in the eye of the storm with unique clinical, social, and financial disadvantages. In all communities, cancer patients and their caregivers need us to forge ahead with our work -including research, patient services, information and resource sharing, education, and advocacy.

This year we are planning a hybrid event that will have a virtual and in-person option for our guests. We want to allow guests to support our event in whichever way they are most comfortable. If we are unable to have an in-person event come this fall, we will continue with a virtual only event. Cancer hasn't stopped so neither will we!

#### **AUCTION DONATION OPPORTUNITIES**

Help finish the fight against cancer by donating an item to the American Cancer Society Night of Hope Gala silent or live auction. Contributing an auction item is a unique opportunity for you to showcase or introduce your products and/or services to community leaders, and through your support, you will be seen as a leader in the fight against cancer.

#### **Recognition Benefits**

- Silent auction donors will be recognized in the digital event program and on the digital auction website, which will include a description of the item and the donor's name.
- Live auction donors will be recognized in the digital event program and on screen and from the podium during the live auction program. Additional Information:
- Final designation and placement into auction categories and packages will be determined by the Night of Hope Gala committee
